I 1993 forsvandt den unge kvinde Marie Gesto sporløst. Harry Bosch og hans partner fandt aldrig andet end hendes efterladte tøj - pænt foldet sammen på bagsædet af en bil.

Det uopklarede mord har lige siden naget Bosch, og han har i årevis haft sagsakterne fremme med jævne mellemrum, ikke mindst efter at han er blevet tilknyttet LAPDs afdeling for uopklarede sager. Men han har aldrig kunnet knække sagen og fange morderen.

Bogen er den tiende Harry Bosch-krimi på dansk. »Som altid spændende ... oversat med et fast og overbevisende greb om både terminologi og dialog.« - Politiken »Echo Park er vævet sindrigt og komplekst sammen med sans for personintriger i politiet.« - **** Jydske Vestkysten
