Kunstneren Tasha Tudor's have er berømt langt ud over USA's grænser. "Et paradys på jord" kaldte hun den selv. Hendes umiskendelige "vilde" stil falder helt i tråd med den, der er populær i dag.

Der er beskrivelser af mange klassiske blomster og dyrkningstips samt ikke mindst hemmeligheden bag hendes frodige have. Bogen følger årets gang og fortæller om de forskellige gøremål - fra sneen klæder verden i hvidt, til haven vågner og i løbet af sommeren folder sig ud i farver og overdådighed, og til høstens rigdom. Foruden fotografier prydes denne poetiske præsentation af Tasha Tudor's egne akvareller og anekdoter. Bogen er udgivet på engelsk i 1994. Tasha Tudor døde i 2008.
